An indispensable handbook for Christian visitors to the Holy Land, and one of the few that covers the Biblical sites in both Israel and Jordan.

The Authors have between them conducted or accompanied more than thirty Pilgrimage Groups to the Holy Land and from that experience have produced a book which is concise and informative. It contains a mine of practical information on both countries and is profusely illustrated, so that it also becomes a colourful souvenir, the stimulant to a host of happy memories for years after you return.
